Morisons Muscat Trainee

Apr 2014 – Jun 2014

Obtained a closer view of SME while being entrusted with more tasks that helped me in gaining understanding of the big picture and the flow of processes, having to meet critical submission deadlines without any compromise to the quality of work carried out and in adherence to the governing standards and regulations.

PricewaterhouseCoopers Intern

Sep 2013 – Oct 2013

Interned at PricewaterhouseCoopers, one of the big four and the world's second largest professional services firm in the fields of Assurance, Consulting and Financial & Tax Advisory services.

Throughout my internship, I was exposed to a large number of clients in various sectors and industries, allowing me to acquire firsthand knowledge and experience. My internship there required time sensitive task completion in order to meet with our interim reports submission, in addition to the analytical skills required for data validation and tracing that data in order to ensure its existence and reliability. Working alongside experienced professionals on client projects, I gained exposure to a wide range of work and clients allowing me to understand various levels of the firm and the variation of roles and responsibilities.

Skills

- ◆ Advanced computer skills
- ◆ Posses leadership & team management skillset
- ◆ Strong analytical & critical thinking capabilities.
- ◆ Problem solving and work well under pressure
- ◆ Adaptable to new situations
- ◆ Proficient with ACL, AS/2 and Lotus notes software.
