JOB EXPERIENCE

I have gained the following knowledge during my first attachment at M'Big ltd-Bungoma County:

- i) Site Management: how site should be managed, prepared and organized during and after the construction process.
- ii) Concrete works and its classes: different types of concrete works and the various types of concrete classes such as C15- 1:1.5:3.
- iii) Drawing Interpretation: Interpreting the Architectural drawing for the purpose of coming up with the BQ and making the client understand the drawing.
- iv) Preparation of tender documents: tenders brought in the office for the purpose of construction work and how they are prepared for the project
- v) Preparation of material estimates: to give the construction estimate cost to help the client to decide whether or not to proceed with the project.
- vi) Preparation of Bill of Quantities (BQ's): After the Interpretation of Architectural drawing, the Quantity Surveyor come up with the Bill of Quantity which he uses to prepare the material estimate for the project.
