OBJECTIVE

To work efficiently and effectively as well as grow with a prestigious organization in the field of Electronics and Electrical Engineering so as to achieve self-realization and the accomplishment of organizational goals.

HIGHLIGHTS

-) Annual Maintenance Contract Maintenance planning for industrial battery charger, Online UPS upto 140KVA, PLC .
-) Participation in tender process, generating new AMC, Estimating Tender and calculating cost to the company.
-) Providing Budgetary offer and its follow up.
-) Worked on different make of battery charger likes Chhabi Electricals Pvt. Ltd., HBL power Systems Ltd. etc.
-) Worked on various make of batteries likes HBL power Systems Ltd., Exide, AMCO, ACHHCO of different types like Nickel-cadmium, Lead Acid, Valve Regulated Lead Acid, SMF types.
-) Worked on various make of UPS like Hitachi Hi-Rel, Emerson etc.
-) Supervised Various PLC AMC work of Schneider, Ge-Fanuc, ABB etc.
-) Deputation of Engineers
-) Engineer Planning and Schedule design.
-) Organised
-) Time management
-) Detail Oriented

WORK EXPERIENCE

1. Currently working at "Dolphin Innovative Service" Akola as an "**Senior Engineer; Services-Electrical Maintenance**" from Aug 2016 to present.

CTC Details

Current Salary: - ~3.27 LPA~2.55 LPA + House Rent Allowances (1BHK Flat + Electric Bill + Flat Maintenance)

Expected Salary: - 4.00 LPA (Including All)

Job Responsibilities

-) Responsible for generating new AMC's for UPS, Industrial Battery Charger, Batteries, PLC's etc.
-) Responsible for participation in the **Tender Process** like Providing budgetary offer, generating enquiries, filling tenders of NTPC, MSPGCL, MSETCL, MPPGCL, UPRVUNL, RRVUNL, CSPGCL, Sugar Factories, Power Plants, Refineries, Petrochemical plants for UPS, Industrial Battery Charger, Batteries, PLC's AMC, Spares procurement, As n when services, supply etc.
-) Taking follow up to the customer for budgetary offer and payment.
-) Filling OEM enquiries, Open Tender (three party tender), Quoting the items and responsible for getting the new contracts.
-) As a senior engineer services and commercial with responsibilities of **Scheduling various AMC, Scheduling of service Engineer, Deputation of service Engineer.**
