CAREER OBJECTIVE

I seek a job as a Mechanical Engineer in a growing company where I can utilize my skills, abilities and knowledge.

I wish to contribute towards organizational goals through my technical knowledge, willingness to learn, hard work and creativity.

ACADEMIA

- **B.Tech** : Graduated from Shri Siddhi Vinayak Institute of Technology
Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow,
U.P. with 76% marks (Honours) in 2017.
Branch:- Mechanical Engineering
- **XII** : CBSE Board, Year of Passing- 2013
- **X** : CBSE Board, Year of Passing- 2011

SUMMER TRAINING EXPERIENCE

- Title of the Project : Production system of Coca-Cola
- Company Name : Brindavan Beverages Pvt Ltd, Persakheda, Bareilly
- Designation : Trainee
- Training Duration : 30 days
- Key learning : Got a deep knowledge about company's production system

EXTRA CURRICULAR ACTIVITIES

- Because of my strong interpersonal and team management skills, I was selected as Co-ordinator of Students' Society of Mechanical Engineering of Shri Siddhi Vinayak Institute of Technology for the year 2014-15 & 2015-16.
- Received 2nd prize in "Quiz" competition in year 2014-15.
- Received 2nd prize in "Sketch Making" competition in year 2015-16.
