Project Briefing

Work Flow Automation:

This project provides a good solution for Office automation by allowing organizations to handle their employee details easily. The administrator can track the daily work of the employee, the manager can assign the work and the employees can view their work. Apart from improving the speed and accuracy it also increases transparency in the organization.

Achievements

- Presented a Paper titled “**The Entry of Foreign Universities and its effect on the HE Scene in India**” at National conference, organized by St. Claret College, Bangalore on 7th & 8th November 2013.
- Was an active member in organizing a national seminar on “**Emerging trends in Information Technology**” conducted by department of computer Science, Sacred Hearts’ First Grade College, Jeevan Bheema Nagar, Bangalore.
- Attained **IELTS** band score of 7.0 in year 2014.
- Secured a percentile score of 83.6 in GATE 2008.
