## Objective

To seek placement in a congenial, healthy working environment where I may utilize **my educational qualification, professional skills in the Medical field** to achieve job satisfaction and career development

## Educational & Professional Qualification

- ⇒ **M. Ch. Orth.** from University of Liverpool, UK – December 1981
- ⇒ **M. S. Orth.** from University of Mumbai, India – December 1978
- ⇒ **F.C.P.S. Orth.** from College of Physicians & Surgeons, Mumbai, India – November 1975
- ⇒ **D'Orth** from College of Physicians & Surgeons, Mumbai, India – April 1975
- ⇒ **M.B.B.S.** from University of Mumbai, India – November 1971
- ⇒ **M.C.P.S.** from College of Physicians & Surgeons, Mumbai, India – April 1971

## Thesis

- ⇒ **Fractures of the Patella**  
Thesis written, presented and accepted by the college of Physicians & Surgeons, Mumbai, India for the Fellowship in Orthopaedic Surgery
- ⇒ **Excision Arthroplasty of the Elbow**  
Thesis written, presented and accepted by the University of Mumbai, India for the Master's Degree in Orthopaedic Surgery
- ⇒ **Excision of the Trapezium for Carpometacarpal Arthritis of the Thumb**  
Thesis written, presented and accepted by the University of Liverpool, UK for the Master's Degree in Orthopaedic Surgery

## Previous Appointments

### Non – Orthopaedic

1. **Resident Rotating Internship, K.E.M. Hospital, Mumbai, India – November 1971 to December 1972 (1 Year)**

This compulsory post was immediately after qualification and gave me basic experience in admitting and management of all cases in Surgery, Medicine, Obs. & Gynae and allied specialities.

2. **Resident House Surgeon in General Surgery, K.E.M. Hospital, Mumbai, India – 1 July 1973 to 31 January 1974 (7 Months). Dr. V.S. Sheth, MB, F.RCS.**

This post gave me considerable experience in admitting and management of all types of acute general surgical cases and was on call on a 1:6 basis. I assisted in a variety of general surgical operations, both cold and major surgical procedures and also did many standard operations independently and under supervision.

**3. Clinical Assessment, Orthopaedic & Accident Hospital, Sunderland, UK. – 1 February 1976 to 7 March 1976 (5 weeks). Mr. A. M. Bain, MB, FRCS.**

This was my first post in the UK, which gave me exposure to the practice of Orthopaedic Surgery in the country.

**4. SHO in A&E Dept., East Birmingham Hospital, Birmingham, UK – 8 March 1976 to 07 September 1976 (06 Months). Mr. S.A. Rahman, MB, F.R.C.S.**

This post gave me experience in handling and immediate management of all types of emergencies, in particular major and poly-trauma.

**Previous Appointments**

**Orthopaedic**

**1. Resident House Surgeon in Orthopaedics, K.E.M. Hospital, Mumbai, India – 16 January 1973 to 30 June 1973 (06 Months). Dr. A.V. Bavadekar, MB, MS, MS.Orth.**

This teaching post was resident on call 1:3 with a very busy OPD twice a week and had the opportunity to admit and manage all types of trauma. I gained experience to all routine Orthopaedic work along with exposure to extensive spinal Surgery.

**2. Resident Registrar Orthopaedics (Teaching post), K.E.M. Hospital, Mumbai, India – 1 February 1974 to 31 January 1976 (02 Years) Dr. R. M Bhansali, MB, FRCS, M.Ch Orth.**

During this teaching post, I was in-charge of a 100-bedded orthopaedic ward under my direct care. I was actively involved in teaching the Undergraduates (Clinical bedside & Lectures). I was on call twice a week, OPD sessions, twice a week along with operative sessions - twice a week. I gained immense experience in all routine orthopaedic work to be handled independently, along with independent experience to deal with major and poly-trauma, joint replacement and extensive spinal surgery. During this post, I worked and completed my thesis for the F.C.P.S. Orth. and M.S. Orth. in Orthopedics from the University of Mumbai, India.

**3. Registrar in Orthopaedics, Dryburn Hospital, Durham, UK – 8 September 1976 to 30 September 1977 (01 Year). Mr. J.J. Williams, FRCS; Mr. A.J.M. Birnie, FRCS and Mr. B.B. Porter, FRCS.**

During this post I had 4 SHOs working under me and conducted 2 OPD Sessions independently. I rotated between all 3 Consultants and was on call on a 1:2 basis. I participated in all the clinical meetings at the University of Newcastle (Prof. Jack Stevens) and gained considerable experience in Total Hip Replacements and Surgery for Rheumatoid Arthritis.

**4. Registrar (Locum) Orthopaedics, Liverpool Royal Infirmary, Liverpool, UK –**

**01 November 1977 to 31 December 1977 (02 Months), Mr. G.V. Osborne, FRCS, M Ch. Orth.; Mr. R. Owen, FRCS, MCh.Orth. and Mr. F.H. Beddow, FRCS, MCh. Orth.**  
During this post my duties included admitting and management of trauma, OPD and operative sessions independently, and along with my consultants, attending clinical meetings and lectures at the University of Liverpool, UK

- 5. SHO(Registrar Grade) in Orthopaedics, Promenade Hospital, Southport, UK – 01 January 1978 to 30 September 1978 (09 Months). Mr.G.V. Osborne, FRCS, M.Ch. Orth. & Mr. A.G. Hayes, FRCS, M.Ch. Orth.**

During this post I was on call 1:2 basis with OPD and operative sessions with both my Consultants. I was widely exposed to all routine orthopaedic procedures, arthroscopy and Total Hip Replacements during this tenure.

- 6. SHO in Orthopaedics and A&E Department, Royal Liverpool Hospital, Liverpool, UK – 07 January 1979 to 30 September 1979 (09 Months). Mr. R Owen, FRCS, M.Ch. Orth; Prof. G. Bentley, Ch. M., FRCS and Mr. W. Turner, FRCS.**

During this post I rotated between all the three consultants in addition to attending lectures and clinical meetings at the University of Liverpool.

- 7. SHO in Orthopaedics, Royal Liverpool Hospital, Liverpool, UK – 1 October 1979 to 30 September 1980 (01 Year). Mr. G.V. Osborne, FRCS, M.Ch. Orth.**

During this post I was on Call once a week and had the opportunity to admit and manage all acute orthopaedic trauma. I gained considerable experience in Total Hip Replacements and Chemonucleolysis. I participated in weekly teaching sessions (Undergraduates), OPD and Theatre sessions. During this post I took the opportunity to work on a new posterior approach to the hip joint and prepare for my thesis on the result of excision of the Trapezium under the guidance of Mr. G.V. Osborne and Prof. George Bentley. Both these have been widely acknowledged and quoted in literature and certain textbooks.

- 8. Registrar (Locum) Orthopaedics, Whiston Hospital, Prescott, Merseyside – 1 October 1980 to 14 October 1980 (02 Weeks). Mr. M. Cavendish, FRCS, MCh. Orth and Mr. C.T. Jackson, FRCS, MCh Orth.**

During this post I gained considerable experience in Total Elbow Replacement under the supervision of Mr. M. Cavendish.

- 9. Registrar (Locum) Orthopaedics, Ormskirk General Hospital, Ormskirk, Lancashire – 15 October 1980 to 22 November 1980 (05 Weeks).**

**Mr. A.G. Hayes, FRCS, M.Ch. Orth and Mr. J.K Stanley, FRCS, MCh. Orth.**

During this post I gained experience in Hand surgery, arthroscopy and total hip & knee replacements.

- 10. Registrar (Locum) Orthopaedics, Alder Hey Children's Hospital, Liverpool – 23 November 1980 to 31 December 1980 (05 Weeks). Mr. R. Owen, FRCS, M.Ch Orth and Mr. J.F. Taylor, FRCS, MCh. Orth.**

This post gave me a wide exposure to paediatric orthopaedics in particular hip, foot & ankle disorders and spinal problems with management and operative treatment of Scoliosis in particular.

11. **Registrar (Linked to the M.Ch. Orth Degree Course) Orthopaedics, Ormskirk General Hospital, Ormskirk, Lancashire – 1 January 1981 to 31 December 1981 (01 Year). Mr. A.G. Hayes, FRCS, M.Ch. Orth and Mr. J.K.Stanley, FRCS, M.Ch. Orth.**  
 This post was linked to the M.Ch. Orth degree course at the University of Liverpool. During this post I gained considerable experience in hand surgery with Mr. John Stanley. The post gave me an opportunity to carry out independently arthroscopy and total hip and knee replacement under the supervision of my consultants. I regularly attended all the clinical meetings, lectures & demonstration held at the University of Liverpool. During this post I independently carried out OPD & operative sessions and was on a 1:2 call duties
12. **Registrar (Locum) Orthopaedics, Rochdale Royal Infirmary, Rochdale – 15 February 1982 to 15 May 1982 (03 months).**
13. **\*\*Assistant Professor Orthopaedics, St. Johns Medical College & Hospital, Bangalore, India – 1 June 1982 to 28 December 1982 (06 months).**  
 During this post I was actively involved in teaching undergraduate students of the college, clinical bedside sessions and lectures. The post involved a busy OPD thrice a week, operative sessions twice a week and 1:2 call duties to cover junior doctors (Lecturers, Registrars & SHO`s). During this I have carried out a wide variety of Orthopaedic work, both routine and specialized orthopaedic procedures.
14. **\*\*Assistant Professor / Associate Professor & Head of the Department of Orthopaedics, M.S. Ramaiah Medical college & Hospital, Bangalore, India – March 1984 to June 1987 (03 Years & 04 Months).**
15. **\*\*Consultant Orthopaedic Surgeon in Private practice to Private hospitals and Nursing Homes in Bangalore from February 1988 till April 1997.**
16. **\*\*Consultant Orthopaedic Surgeon, Al Hammadi Hospital, P.O. Box 55004, Riyadh 11534, K.S.A from 09<sup>th</sup> September 1997 till 31 March 2000.**  
 During this post, I have done a wide variety of ORIF of all kinds of trauma along with a considerable amount of Cold Orthopaedic Surgery, to include Total joint Replacement of the Hips and the Knees.
17. **\*\*Consultant Orthopaedic Surgeon, Zulekha Hospital, Sharjah, UAE – 03 December 2000 till 20/10/2002 (01 Year and 09 months)**  
 During this post, I have carried out all major trauma and a good amount of Spinal Surgery. I have also published an article in the Emirates Medical Journal, December Issue, 2001
18. **Locum Specialist Registrar Orthopaedics, Bedford Hospital NHS Trust (South Wing), Kempston Road, Bedford MK42 9DJ – 1/11/2002 till 31/12/2002(2 Months).**
19. **Locum Specialist Registrar Orthopaedics, Cheltenham General Hospital, Sandford Road, Cheltenham GL53 7AN – 6/1/2003 till 5/2/2003(1 Month).**
20. **Locum Specialist Registrar Orthopaedics, East Surrey Hospital, Canada Avenue**

- Redhill, Surrey RH1 5RH – 10/2/2003 till 21/2/2003.
21. Locum Specialist Registrar Orthopaedics, Newham General Hospital, Plaistow, East London – 24/2/2003 till 28/2/2003.
  22. Locum Specialist Registrar Orthopaedics, North Hampshire General Hospital, Basingstoke – 3/3/2003 till 14/3/2003.
  23. Locum Specialist Registrar Orthopaedics, East Surrey Hospital, Canada Avenue, Redhill, Surrey RH1 5RH – 17/3/2003 till 30/3/2003.
  - \*\*24. Locum Consultant Orthopaedic Surgeon, West Cumberland Hospital, Hensingham, Whitehaven, CUMBRIA CA28 8JG – From 28/4/2003 till 30/6/2003. (2 months).
  25. Locum Specialist Registrar Orthopaedics, University Hospital of North Staffordshire NHS Trust, Stoke-on-Trent, Staffordshire ST4 6QY = 29/6/2003 Till 16/8/2003(7 weeks).
  - \*\* 26. Locum Consultant Orthopaedic Surgeon, Royal Free Hampstead NHS Trust, Royal Free Hospital, Pond Street, LONDON NW3 2QG = from 20/8/2003 till 15/7/2005(1 year and 11 months).
  - \*\*27. Locum Consultant Orthopaedic Surgeon, West Wales General and Prince Phillip Hospitals, Carmarthen SA31 2AF = From 27/8/2005 till 30/9/2005 (5 Weeks).
  - \*\*28. Locum Consultant Orthopaedic Surgeon, Charing Cross Hospital, Fulham Palace Road, LONDON W6 8RF = From 12/12/2005 till 28/2/2006( 2 Months 3 weeks).

### **Dr.K.Mohan Iyer (Research Work Done)**

During my 30 years career in Orthopaedic Surgery, I have done extensive original research work on the following 2 topics, which had originally appeared in the following journals. The original work and extracts from them have been quoted (**From 1982 till to date-over the last 35 years**) from various Orthopaedic Centres in Australia, Europe, U.K. and the U.S., in various journals, Year Book and text books as follows:-

### **(A)The Results of Excision of the Trapezium-Iyer, K.M.(1981)** **The Hand 13:246-250.**

- 1) Osteoarthritis of the Carpometacarpal Joint of the Thumb-Lasse Kvarnes and Olav Reikeras (Feb. 1985) The Journal of Hand Surgery, Vol. 10-B, No. 1, 117-120.
- 2) Rheumatoid Arthritis at the Base of the Thumb treated by Trapezium Resection or Implant Arthroplasty-L. Kvarnes and O. Reikeras (June 1985) The Journal of Hand Surgery, Vol. 10-B, No. 2, 195-196.
- 3) Interposition Arthroplasty of the Trapeziometacarpal Joint for Osteoarthritis-Paul C. Dell and Ruth B. Muniz (July 1987)

- Clinical Orthopaedics and Related Research, Number 220,27-34.
- 4)Replacement of the Trapezium with a Silicone Elastomer Universal Small Joint Spacer-B.Helal and I.McPherson(Nov.1989) The Journal of Hand Surgery,Vol.14B,No.4:456-459.
  - 5)Revision Procedures for complications of Surgery for Osteoarthritis of the Carpometacarpal Joint of the Thumb-W.B.Conolly and S.Rath(August 1993) The Journal of Hand Surgery,Vol.18B,No.4: 533-539.
  - 6)Excision of the Trapezium for Osteoarthritis at the base of the Thumb – Varley G.W,Calvey J,Hunter J.B,Barton N.J,Davis T.R.C(November 1994) The Journal of Bone and Joint Surgery(Br),76-B:Vol.6,964-968.
  - 7)Simple Trapeziectomy for Treatment of Trapeziometacarpal Osteoarthritis of the Thumb-Vandenbroucke J,De Schrijver F,De Smet L, Fabry G(1997) Clin Rheumatol;16:239-242.
  - 8)A Comparison of Trapeziectomy with and without ligament reconstruction and Tendon Interposition-H.J.C.R.Belcher and J.E.Nicholl(August 2000) The Journal of Hand Surgery,Vol.25B, No.4:350-356.
  - 9)Trapezial Space Height after Trapeziectomy:Mechanism of formation and benefits-N.D.Downing and T.R.C.Davis(2001) Journal of Hand Surgery,Vol.26A,862-868.
  - 10)Early versus late mobilization after simple excision of the Trapezium- N.Horlock and H.J.C.R.Belcher(November 2002) The Journal of Bone and Joint Surgery,Vol.84-B,No.8:1111-1115.
  - 11)Excision of the Trapezium for Osteoarthritis of the Trapeziometacarpal Joint:A study of the benefit of ligament reconstruction or tendon Interposition(2004) Journal of Hand Surgery,Vol.29A,1069-1077.
  - 12)Wheeless' Textbook of Orthopaedics > wheellessonline.com > Osteoarthritis > CMC Arthritis > Excision of the Trapezium.
  - 13) Results from a degradable TMC joint Spacer (Artelon) compared with tendon arthroplasty JOURNAL OF HAND SURGERY-AMERICAN VOLUME 30 (2): 380-389, 2005 MAR.
  - 14) **A review of osteoarthritis of the trapeziometacarpal joint (TMJ)** [eprints.soton.ac.uk/72296/1/TMJ](http://eprints.soton.ac.uk/72296/1/TMJ), Article\_NAROT\_Journal\_23Jan09 by Nicole Murphy,Bhoomiah Dasari & Jo Adams
  - 15) **Arthroplasty for trapezium excision and tendon interposition in rhizarthrosis cases: prospective study,byWalter Gomes Pinheiro Junior<sup>I</sup>; Renan Moukbel Chaim<sup>II</sup>; Henrique Bella Freire de Carvalho<sup>III</sup>; Walter Manna Albertoni<sup>IV</sup>; Flávio Faloppa<sup>V</sup>; João Baptista Gomes dos Santos<sup>VI</sup>** Rev. bras. ortop. vol.46 no.1 São Paulo 2011.
  - 16) **EXCISION OF THE TRAPEZIUM AND INTERPOSITION ARTHROPLASTY WITH GELFOAM FOR THE TREATMENTOF TRAPEZIOMETACARPAL OSTEOARTHRITIS** by I. NUSEM and D. R. GOODWIN, Journal of Hand Surgery (British and European Volume, 2003) 28B: 3: 242–245.
  - 17) **First carpo-metacarpal osteoarthritis and its association with occupation(with an emphasis on clerical workers)** by Dr. Craig W. Martin, Senior Medical Advisor, WorkSafeBC Evidence-based practice group, PO Box 5350 Stn Terminal, Vancouver BC V6B 5L5,November 2010.

- 18) CMC Joint Arthroplasty Utilizing the BioPro Modular Thumb Implant Louis S. Habryl, DO  
[www.bioproimplants.com/downloads/dr\\_louis\\_habryl\\_cmc\\_study.pdf](http://www.bioproimplants.com/downloads/dr_louis_habryl_cmc_study.pdf).
- 19) Surgical Treatment of Thumb Carpometacarpal Joint Arthritis: A Single Institution Experience From 1995 to 2005, by Min J. Park, Greg Lichtman, Jennifer B. Christian, Jennifer Weintraub, James Chang, Vincent R. Hentz, Amy L. Ladd, Jeffrey Yao, [HAND](#) December 2008, Volume 3, [Issue 4](#), pp 304-310
- 20) Comparative study between trapezium resection and tendon interposition with and without ligamentoplasty in the management of carpometacarpal arthrosis of the thumb, by [Arlindo G. Pardini Jr.](#), [Afrânio D. Freitas](#), [Antonio B. Chaves](#), [Marcel B. Freitas](#), [Journal of Hand and Microsurgery](#), June 2009, Volume 1, [Issue 1](#), pp 7-11
