## **Seeking assignment in the field of Security**

### **CAREER OBJECTIVE**

By the virtue of extensive experience of navy in the field of Security, Administration, Deployment of manpower, Public Relation, Intelligence & Security of Men & Material I consider myself a potential candidate in the field of security, operation & administration in any afloat as well ashore job.

Apart from the mentioned experience of navy I have been working with "AMBREYRISK" as a Maritime Security Team leader since 20 Nov 12.

### **PROFESSIONAL SYNOPSIS**

- Professional with 21 years of insightful & dedicated experience in Security, Operations, administration & Communication.
- Excellent Leadership, team building, interpersonal, communication, competitive and management skills.
- A proven strategist with expertise in leadership, managing entire operations ensuring optimal utilization of resources. Experience in handling operations entailing planning & resource deployment.
- Have 9 years enriched sea experience in navy of sailing in toughest sea conditions onboard different kinds of war ship.
- Efficient Team Leader. Have been trained, tested on performing as a Team Leader in most challenging & threat prevailing conditions in High Risk Area. Trained in handling & firing of small arms at Jaspal Rana Firing Range at Dehradun & Srilankan STF Firing Range at Colombo, Srilanka before being deployed as a Maritime Security Team Leader.
- Have in depth knowledge of piracy and Anti piracy SOPs. Have undergone extensive training related to international maritime & security regulation, human right affairs and small arms weapon training.
- Competent in handling of small arms. Gained more efficiency & skill during tasks.

### **EMPLOYMENT DETAILS**

- An ex Navy, got enrolled in the Indian Navy on 03 Jan 1991. Have been at sea for almost 09 years and sailed to all major and almost all minor ports on the Indian Coast as well as have an experience of sailing in international waters.
- Served on board Indian Naval Ships Charag (Missile Boat) INS Agray (Anti Submarine Warfare Ship), INS Amba (Submarine's mother ship), INS Viraat (the only aircraft carrier in Indian Navy) & INS Ghorpad (Landing Ship Tank).
- Served as training staff for three years at premier naval training base Chilka which trains almost 5,000/- recruits each year.
- Served on board INS Viraat for two years, the only Aircraft carrier of the Indian Navy which has strength of approx 1250 personnel and was particularly entrusted with the responsibility of maintaining upper deck security by armed guards as well as maintaining discipline and Law & Order amongst the service personnel on board.
- Served as senior security staff at Ship Building Centre, Visakhapatnam for two years, where project of nation's most prestigious Advance Vessel (Nuclear Submarine) is underway. Was a key & senior member of the team of security dept. & was responsible to maintain a high level & fool proof security in & around the project area.
- Served on board ship Ghorpad for one year, a landing craft of the Navy which carries troops & tanks. Sailed to Srilanka & made several voyage in order to deliver relief during Tsunami. Awarded proficiency certificate by the Commanding Officer of the ship for performance of the duties on board.
- Served at Naval Special Warfare Tactical cum Training Centre, Mumbai for three years which imparts special combat training to naval personnel as well as provide basic training of special force i.e Marine Commandos (MARCOS) of the Navy. Attended regular firing practices at firing range of small arms and had a lot of firing practice. Got optimum accuracy in small arm firing.
- Served as Field Security Staff as well as Vigilance Section In-Charge of the Security Department at Naval Dockyard, Mumbai for three years, the largest defense industrial establishment at, Mumbai. Was In-charge for kitting up & training of armed sentries placed in & around the yard.

- Due to the work experiences of Indian Navy for last 21 years (1991 to Jan 2012) and my ongoing experience in Anti piracy deployments I have been able to develop professional acumen in the various field of security. During my ongoing job as a Maritime Security Team Leader I have escorted more than 50 ships of different flag state in entire high risk region. Carried out Ship Security Assessment, setting up of citadels and imparting training/instructions to crew of the ships and advising Captain on various security aspect whilst transiting in High Risk Area. As a team leader I have led my teams in best possible way and got best feedback by masters.
