

SHYAM PRAKASH

Objective

To excel in my field of work by utilizing the skills that I have gained so far by hard work and full commitment to fulfill all the organizational objectives.

-

Professional qualification

- Bachelor of Information Technology (BIT) from IGNOU.
- B.A from Delhi University.
- MBA from SMU- Operations year 2015

Current profile:

- Worked as a Logistic manager in Nirbhay Management Services PVT. LTD which is a sister concern of Binani cement from 29th August 2013 to 15th September 2017.

Roles and Responsibilities:

- ❖ Recommend optimal transportation modes, routing, equipment, or frequency.
- ❖ Establish or monitor specific supply chain-based performance measurement systems.
- ❖ Create policies or procedures at operational level for logistics activities.
- ❖ Plan or implement material flow management systems to meet production requirements.
- ❖ Maintain metrics, reports, process documentation, customer service logs, or training or safety records.
- ❖ Implement specific customer requirements, such as internal reporting or customized transportation metrics.
- ❖ Resolve problems concerning transportation, logistics systems, imports or exports, or customer issues.
- ❖ Monitor product import or export processes to ensure compliance with regulatory or legal requirements.
- ❖ Design models for use in evaluating logistics programs or services.

- ❖ Negotiate with suppliers or customers to improve supply chain efficiency or sustainability.
- ❖ Recommend purchase of new or improved technology, such as automated systems.
- ❖ Develop risk management programs to ensure continuity of supply in emergency scenarios.
- ❖ Plan or implement improvements to internal or external logistics systems or processes.
- ❖ Collaborate with other departments to integrate logistics with business systems or processes, such as customer sales, order management, accounting, or shipping.
- ❖ Analyze the financial impact of proposed logistics changes, such as routing, shipping modes, product volumes or mixes, or carriers.
- ❖ Direct inbound or outbound logistics operations, such as transportation or warehouse activities, safety performance, or logistics quality management.
- ❖ Analyze all aspects of corporate logistics to determine the most cost-effective or efficient means of transporting products or supplies.
- ❖ Communicate freight transportation information to customers or suppliers, using transportation management, electronic logistics marketplace, or electronic freight information systems, to improve efficiency, speed, or quality of transportation services.
- ❖ Review global, national, or regional transportation or logistics reports for ways to improve efficiency or minimize the environmental impact of logistics activities.
- Conduct or review environmental audits for logistics activities, such as storage, distribution, or transportation.

Professional Experience

- Worked in EXL Noida as a Helpdesk Executive from July 2010 till December 2011.
- Worked as a Logistic manager in NIRBHAY MANAGEMENT SERVICES PRIVATE LIMITED which is a sister concern of Binani cement from 29th August 2013 to 15th September 2017.
