- Conducting internal team meeting at site
- Attending weekly review meeting by the client
- Perform Low Cost consumption techniques
- Preparing and closing of test pack and punch list for erected system
- Inspect all the works completed as per drawing and preparing Static Completion
- Sprinklers handled – Upright, pendent, Side wall,
- Commissioning & Handing Over activities.

Projects profile:

Project 1: FPS (sprinkler, hydrant, Fire Extinguisher and foam)

Customer: Cummins Indian ltd.

Site: *pune, Maharashtra*

Project Value: *9 cr*

Duration: From May 2016 to April 2017

Role: *Project Engineer -Trainee*

Project 2: FPS (sprinkler, hydrant, Fire Extinguisher and foam)

Customer: Cummins India ltd.

Site: *pune, Maharashtra*

Project Value: *1.5cr*

Duration: From May 2017 to December 2017

Role: *Project Engineer*

Hobbies:

- Hearing songs.
- Playing cricket, Chess & Kabbadi.

Personal profile:

Name	:	B.Mutthalagan
Date of Birth	:	15.07.1995
Gender	:	Male
Father's name	:	P.Baskaran
Languages Known	:	TAMIL, HINDI, and ENGLISH
Nationality	:	Indian

Deceleration:

I consider myself familiar with Mechanical Aspects. I am also confident of my ability to work in a team.
