B.E. Mechanical

Contact No. : 9428409159

Career Objective:

Looking for a challenging career where I can prove my best of knowledge and professional skills and help me in broadening and enhancing my current knowledge and skills.

Education Detail:

Degree	Institute	Board/ University	Year of passing	Percentage
B.E. in Mechanical Engineering	Saurashtra University	C. U. Shah College of Engineering and Technology.	2012	60%
H.S.C	Gujarat Board	Jivanbharti Pravrutti Vidhyalaya	2007	51%
S.S.C	Gujarat Board	Jivanbharti Pravrutti Vidhyalaya	2005	69%

Computer Skills: -

AutoCAD (2d and 3d), Microsoft Project, Microsoft Office, Concerto, BAAN, PLM, Realization etc.

Hobbies: -

Reading Books, Writing Stories, Dancing, Puzzling, Sports

Strength: -

Hard Working, Like changes and challenges,

Helpful nature, Flexibility.

Languages Known: - English, Hindi, Gujarati

Work Experience:-

I have 2.6 years experience in core mechanical field.

Experience details are:

1) Currently working as a “Planning engineer” at Hi-Tech Applicator since February ‘14 to till date. (Hi-Tech makes TEFLON lined piping and all types of lined valves)

Roles and responsibilities:

1. Study pipelining drawings and preparing BOM.
2. Preparing “Kick off” meetings
3. Ordering requirement of materials.
4. Preparation and provision of specification sheets and job card.
5. Follow-up of ordered materials.
6. Deciding priorities and urgencies by communicating with customers.
7. Planning for production processes and loading different shops according to Previous loads and capacity.
8. Studying pipelining codes and getting information from ASME standards in different cases.
9. Deciding lining materials and thickness according to piping standards and requirements.
10. Preparing closing meetings and “Manthan” for individual project.

And many more.

2) I have worked as a “Planning engineer” at L&T Heavy engineering, Hazira for one year.

Roles and responsibilities:

1. Study of pressure vessels drawings with planning team.
2. Weld kg. calculating and estimation.
3. Preparing plate cutting layout and ordering.
4. Preparing activity break up for vessel.
5. Designing fixture if any required.
6. Preparing MS-Project file and scheduling.
7. Preparing Heat-treatment summery.
8. Preparation of tank rotator plans, locking cleats plan, sub-contraction plan,
Dimension data capturing plan, handling plans, ball fixture / positionar plan.
9. Planning and preparing for hydro test and PWHT plans.
10. Arranging meetings.

And many more.

3) I have worked as a “Planning engineer” at Micro Engineers for 6 months training + 8 months

Current Salary: - 19,000/pm.

Expected Salary: - 27,000/pm.

PERSONAL PARTICULARS:

Address	201-Ashray Park apt, Nr. Bhagwati apt, Ambikaniketan Road, Athwalines, Surat. PIN- 395007.
Date of Birth:	16 th December 1989
Mobile No:	9428409159
Email Id:	harshil_shah_hs@yahoo.com

DECLARATION:

I hereby do solemnly affirm that the details furnished above are true to the best of my knowledge.
