Respected HR Team,

I am submitting here with my resume for your personal & favorable consideration for the post of business/marketing/sales executive in your organization.

Review of my credentials indicates that I am a qualified B.E(computer science & engineering ,3 rd year dropout) from educational institute BMCET Surat which is Affiliated from GTU, possess comprehensive knowledge of JavaScript ,html, CSS & internet marketing, Aware of SEO, digital marketing ,Blogging, WordPress & Product marketing. Worked on project on **BRTS management system**.

With exceptional communication & interpersonal skills, my self-confidence, innovative approach & quick adaptability to changing processes & trends have been my biggest assets.

I also have a one unique ability that separate me from other people. I easily understand the psychology of other people that help me to carry out my task easily. I also have a good convincing power, which is also very helpful for organization.

The above credentials along with my enclosed resume make me ideally suitable for a position in your organization. I would appreciate an opportunity for a personal interview.

Thanking you in anticipation of a favorable reply.

                                                        Yours sincerely
                                                         Pankaj Mehta
